

All Purpose Cable Slitter Tool Only w/ Pouch

Product Images

Product Description

The All Purpose Cable Slitter Tool is an ergonomic, multi-purpose precision cable slitter designed to perform the most accurate ring and longitudinal cuts on dielectric cables up to 0.79" (20mm), making it the only tool you need for cutting and slitting cable.

Equipped with a spring-loaded design that provides quick and easy slitting & ringing performance, and designed to fit comfortably in the hand for easy operation without risk of injury, the MB02 Fiber Optic Cable Cutter is the safest, most cost-effective solution for cable work globally.

Features

- Integrated ring and longitudinal cutting channels, interchangeable trays set blade depth and working range for cable diameter up to 0.79" (20mm)
- Easily swap between magnetic tool trays with intuitive color coding and laser marking for easy application identification and fine-tuning, with additional trays available for purchase
- Safe, compact & ergonomic tool design fits comfortably in the hand for easy operation without risk of injury
- No adjustments are needed on fixed, factory set, precision ground tool steel blades with design origin from armor cutting tools
- The tool Comes equipped with a spring-loaded design that provides quick & easy slitting & ringing performance. It also features an integrated stowage latch when not in use
- Convenient carrying pouch included
